

ATTENTION READERS

This notice is to inform you that you will only be receiving one more print version of Prevention Report in the mail (summer 2001).

Starting with the fall 2001 issue, Prevention Report will no longer be printed and mailed to subscribers but will be available electronically.

For the past two years, Prevention Report has been available electronically to subscribers over the Internet and via e-mail or fax, in addition to the regular print version. In an effort to reduce printing and postage costs, as well as speed the production and distribution of Prevention Report, we will be making it available exclusively by electronic means.

You will continue to get the same useful news, ideas, and information on disease prevention and health promotion. Only now we can get the information to you faster than ever before. You can receive Prevention Report in one of three ways by completing the form below.

- ♦ Prevention Report will be available on the Internet. To download, go to Web site <http://odphp.osophs.dhhs.gov/pubs/prevrpt>, and click on the latest issue.
- ♦ Prevention Report will be available via our fax service. We will fax you the latest issue as it becomes available.
- ♦ Prevention Report will also be available via e-mail. We will send each new issue, as soon as it is ready, right to your e-mail address.

Cut along the line and return.

Please furnish all of the information below and **return this card by July 20, 2001.** Be sure to indicate whether you prefer to receive Prevention Report by e-mail or fax-back.

NOTE: YOU NEED TO PROVIDE ALL OF THIS INFORMATION EVEN THOUGH YOU MAY ALREADY BE INCLUDED ON OUR MAILING LIST. IT WILL HELP US CONFIRM THAT OUR INFORMATION IS CURRENT, COMPLETE, AND ACCURATE AND HELP YOU GET YOUR FINAL PRINTED COPY OF PREVENTION REPORT AS QUICKLY AS POSSIBLE.
